

Dear Parents,

We currently have a a Facebook page and are in the process of updating the school's website! The main purpose of these websites is to improve communication between our school, parents, and the community. We may, on occasion, wish to post some photos of your child at school, or on a field trip. To do so, we need to receive permission from each family individually.

In order for us to get started, I would ask each of you to fill out this letter, submit the letter at your earliest convenience, and take an extra copy for your records. There is a labeled folder on the sign-in table where you can submit the forms. Please *INDICATE ON THE LETTER OR THROUGH EMAIL TO MRS. WINTER*, if you do not want your child to be included in any photos on facebook. Names will *NEVER* be included on posts.

---

I give permission to post a photo, which includes my child on Faith Academy of Montessori's website, or on Faith Academy of Montessori's Facebook Page.

Signature of Parent/Guardian: \_\_\_\_\_

We would also request that you LIKE our Facebook Page and include comments if you would care to! It's a nice way to let others in our community know how our families feel about the school and what we've been up to!

Kind regards,

Debbie Winter
